

ARGON BAY VINEYARDS

Argon Bay Victoria Sparkling Shiraz REGIONAL SELECTION

Growing Region:

From selected blocks within the vineyards throughout Victoria.

Winemaking:

We select fruit from the highest quality blocks within our vineyards picked during the cool of the night to retain ultimate freshness. We then ferment before maturation in a small amount of oak and tank to retain the aromatic lift. A small proportion of super premium Shiraz is added to the blend to fill out the palate and gives the wine length of flavour. The wine then moves through a carefully controlled sparkling process to produce fine and persistent bead across the palate.

Tasting Notes:

Combining flavours of ripe, dark berries with a hint of nutty oak, this sparkling red is surprisingly refreshing. Take a moment to pour yourself a glass and luxuriate in a glorious assault on the senses. Perfect for celebrating with friends, with or without the help of some rich, dark chocolate.

Food Marriage:

Well, just about any dish will be enhanced by this extraordinary wine, but particularly poultry of any kind. Enjoy with cheeses, fruits or just savour on its own.
