WINE TRUST ESTATES

Picarus Reseeve-1 Langhorne Creek South Australia Cabernet Sauvignon 2011

Growing Region:

Langhorne Creek South Australia.

Tasting Notes:

This wine was produced from low yielding vineyards in the prestigious and famous Langhorne Creek region of South Australia.

Picarus Reserve-1 is only produced in great years that have deemed to have created fruit of unsurpassed quality and style.

Reserve-1 is our finest Cabernet Sauvignon from those greatest of vintages. This special wine displays deep brick red, vibrant colour and texture.

It was barrel aged in a combination of new, one year and two year old American Oak.

The final wine comprises s a complex bouquet consisting of eucalyptus, menthol, peppermint, earthy characters with some luxurious cedar/cigar box notes.

The palate is a delightful and complex mix of eucalyptus, some peppermint and spicy characters. It continues to a long, rich and full bodied finish with balanced, yet firm tannins adding to the overall majesty of this magnificent wine.

This wine will continue to develop in the bottle for many years to come if cellared under correct conditions.

Swan Hill, Victoria
