

VITA PIENA

Vita Piena White Moscato

(Vita Piena our name for this wonderful range when translated from Italian is particular apt for this wine-FULL LIFE)

Growing Region:

From selected blocks within the vineyards throughout Victoria.

Winemaking:

The wine was fermented to retain crispness and fruitiness at every step of the winemaking process. The final wine was then lightly carbonated to provide you with a slightly sparkling, bubbly style.

Tasting Notes:

A fantastic example of true Moscato with hints of melon, stone fruits and lifted citrus. The slightly sparkling style adds even more “fun” to overall style of the wine. Moscato is a wine for everyone to enjoy, the slightly spritzig or frizzante effect results in a lively and fresh finish.

Food Marriage:

Enjoy with fruits, light salad dishes, canapé and desserts. The wine is highly enjoyable even on its own to savour at any time.
